V. CHEERLEADERS

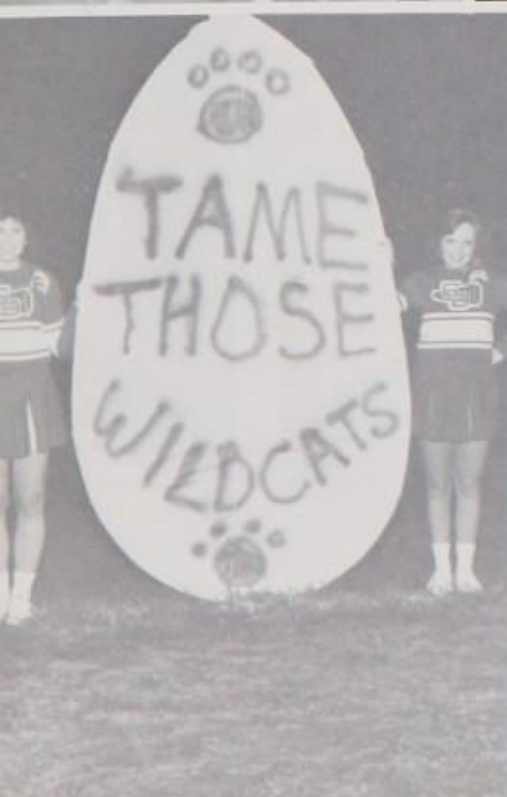

No one can understand the exact feelings of a cheerleader. Football season: the bright lights, cold legs, running across the field at halftime, H-E-L-L-O. Basketball: the "aroma" of the gym, observing the opposing squad, dodging the ball.

This year's cheerleading squad was made up of mainly seniors and lead by captain Debbie Andrews and co-captain Lisa Kressler. The group traveled to the University of Virginia to attend another International Cheerleading Foundation cheerleading camp. At this camp they were finalists in the Grand Champion competition.

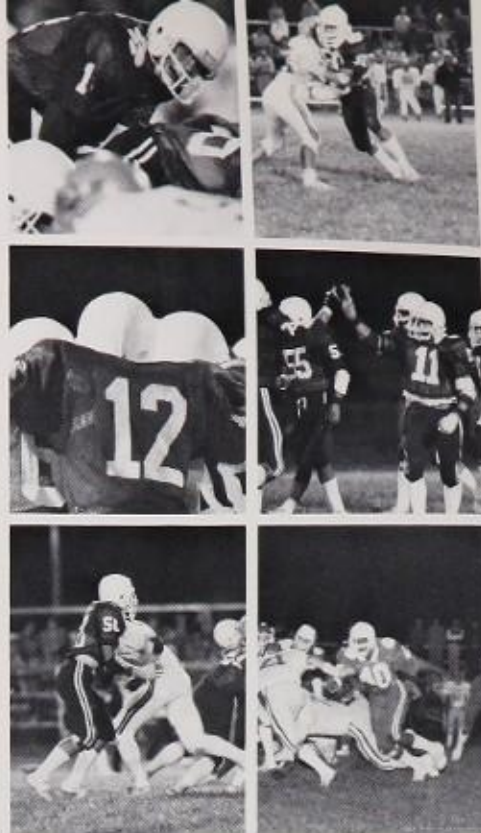

Back row: Robin Lacoste, Shellie Hudock, Karen Simpson, Micky Pearson, Andrea Butcher, Donna Palumbo. Front: Lisa Kressler, Debbie Andrews, Debbie Hathaway, Trish Rutley.

Top Row: Glen Durbin, Bruce Brannon, Jim Beatty, Walter Robinette, Brian Forbes, Russell LaAsmar, Pat Myers, Bernie Woelke, George Colbert, Scott Dorsey. Second Row: Bill Wild, Coach Rigot, John Lecorchick, Eric Gennett, Carl Thomas, Mark Connor, Ivan Bond, Bruce Northcraft, Paul Kasuda, Brett Bush, Mike Scott, Tony Kusyk, Coach Henderson, Coach Rotellini. Third Row: Dotty Grenolds, Lisa Dupreay, Mark Golinski, Rodney Spencer, Bob Myers, Tom Ridge, Cliff Lanham, Harold Parker, Darren Truxon, Mark Waltrup, Lisa Valenti, Kelly Woody. Bottom Row: Art Harvey, Richard France, Joe Fairfield, Russ Ensley, Robbie Sayles, Dennis Thompson, Rob Plaine, Brian Nevil, Laura Blair.

The 1983-84 Gopher football team began this season with five consecutive victories. These victories came against teams like the highly acclaimed Thomas Stone, Cougars and Severna Park, Falcons. Much of the Gopher success came from their ground game. Tailback, Rodney Spencer gained over 1,000 yards in eight ballgames. Rodney shared the tailback spot with Harold Parker. Senior, Brett Bush and Ivan Bond alternated at full back. This year a formerly overlooked part of the Gopher offense was reborn thanks to the passing abilities of Walt Robinette. Robinette's receivers were Rich France and John Lecorchick and Brian Forbes. This added an extra punch to the offense, averaging 19 passes per game. The Gophers had remained undefeated until October 14, when they took on the also undefeated Arundel, Wildcats in this year's Homecoming game. The game proved to be a spectacular event. The Gophers then dropped two straight to Westminster and Meade. They closed their season with victories over Chesapeake and arch-rival, Old Mill. Incidently, the victory over Old Mill knocked them out of any chance to make the playoffs. The Gophers final record stood at 7-3.

J.V. FOOTBALL

The J.V. Football squad, led by Coach Newman and Coach Gibson, enjoyed a 6-4 record this year. This year's team was comprised of sophomores and provides a strong base for next year's varsity squad. Many of these players had never played football until this year. Coach Newman and Coach Gibson should be credited for putting together a fine football team.

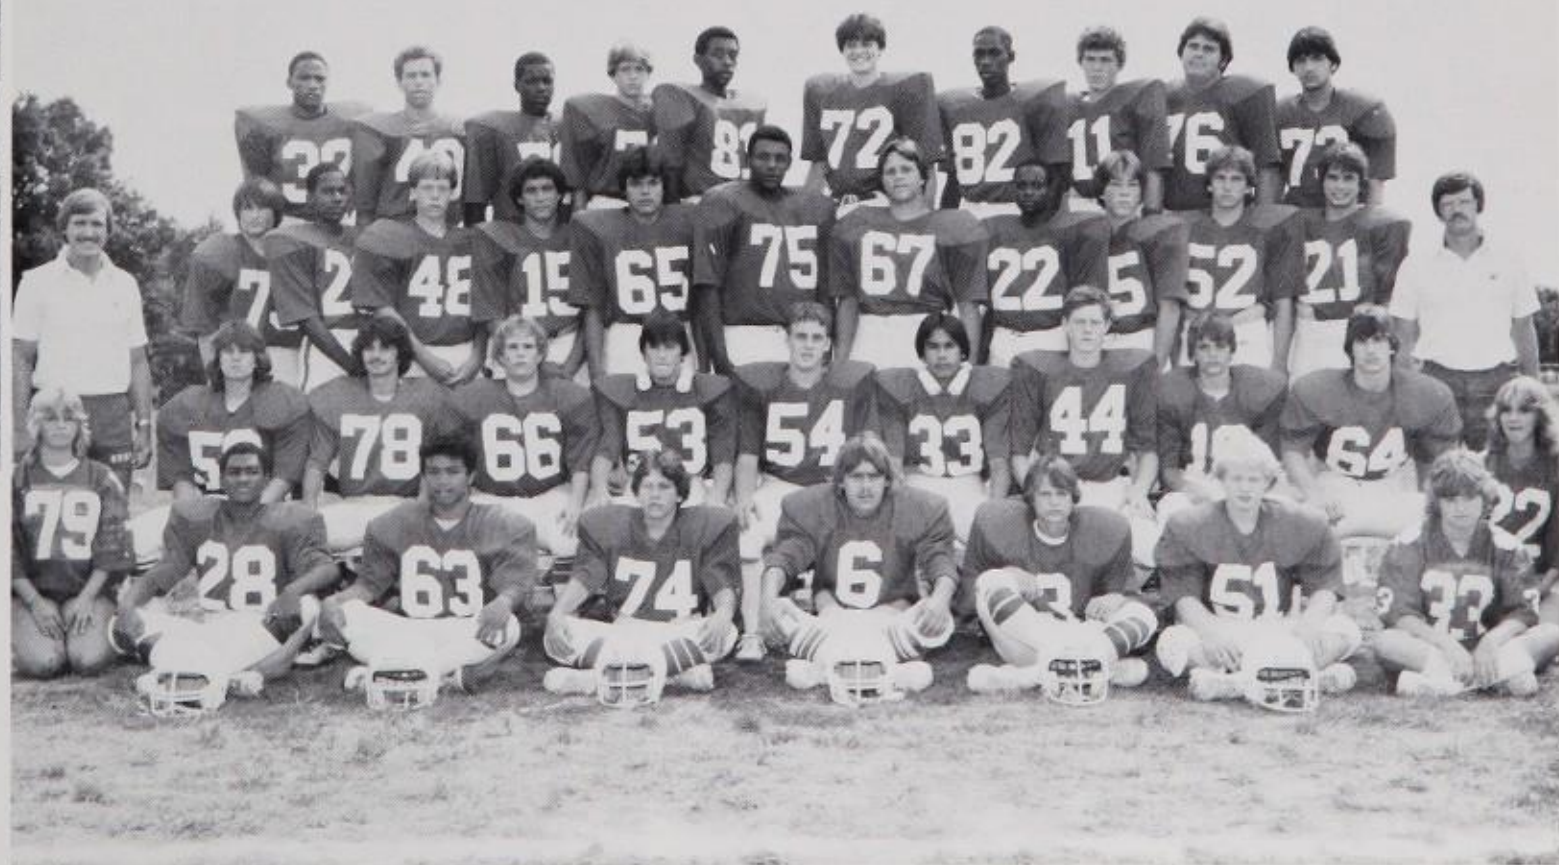

The Varsity Prep Cheerleaders had a very good season this year. Under the direction of captain Stacy Shade and co-captain Priscilla Eckman, they cheered for Junior Varsity Football, and Junior Varsity and Varsity Wrestling. Sponsor Mrs. Frye escorted the girls to many away games and helped them throughout the season.

V. SOCCER

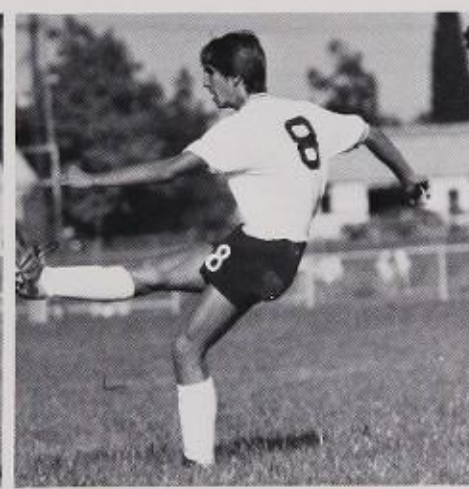

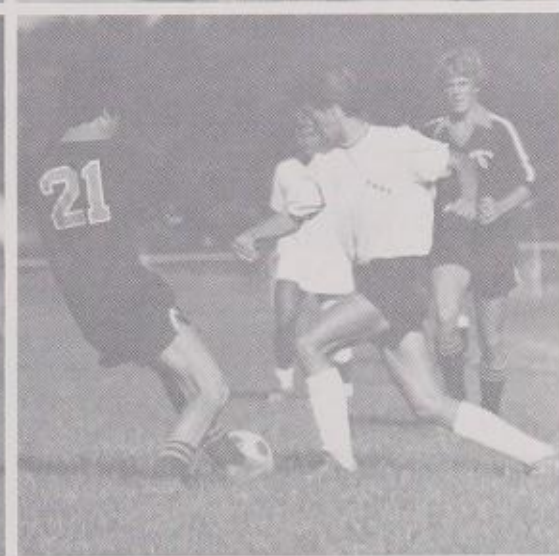

This year's Glen Burnie soccer team was not typical of previous teams. The Gophers finished the year with a 3-7-2 record. The Gophers for the first time in many years were coached not by John German, who retired, but instead by new coach John Van Orden.

The Varsity Gophers were led by co-captains David Guite and Chris North, both of whom made second team all county. They were supported by senior Kevin Phillips and Tom Wright, and newcomers Tracie Stover and Kevin Keeter. This combination of talent worked together to put a blemish on the co-state champion Severa Park Falcons' record. This was definitely a rebuilding year for the Gophers.

In its own way, this year's season for the Glen Burnie girls was a winning one. They learned to work together as a team. They also learned the meaning of the word "perseverance," not giving up. These are victories that not too many teams can claim. But the most important victory of all was that won by Mrs. Bogle: to teach her girls that "There's no I in the word TEAM." These words senior girls will be sorry not to hear again the sophomores and juniors will welcome in the future.

The Girls Volleyball team finished their season with ten wins, five losses. This qualified them for the regional play-offs; this was the first time in six years. Senior captain Missy Tilghman was voted All-County first team, All-Metro second team. Also voted All-County second team was Linda Millford. The team's success can be attributed to everyone playing together as a team.

The J.V. team ended their season with 12 wins, 2 losses. They tied for first place in the AA Competition and took first place overall. A very promising group, Ms. Murdock is looking forward to working with them next year.

V. BASKETBALL

This year's Varsity Basketball team was a unique team that consisted of all seniors. Maturity and experience was an important aspect of the team. The Gophers were well atop their league with a better than .500 percent record. The team was led by the consistent play of team captain David Guite, Kevin Phillips and Walter Robinette. The Gophers proved to be a team to be reckoned with in the Big Eight Conference.

V. GIRLS BASKETBALL

The G.B.H.S. Girls Varsity Basketball team is an unrecognized source of sportsmanship and great playing ability. Their talent showed through having a fair season and some outstanding players. Although attendance was down, the girls' games were played with great enthusiasm and high spirits. They perserved and became a model team for all the teams of women athletes all over the county.

The J.V. Basketball Team again this year put forth the effort needed to have a good team. Pulling together, they put together a successful team with various starring members. Following the tradition of excellence of the varsity team, they rose to the occasion several times for a fairly good season. They deserve to be recognized as a strong force in J.V. Basketball.

The G.B.H.S. J.V. Basketball Team shined this year, striving for excellence against their foes. They fought hard the entire season, making the team sparkle because of their hard work. The J.V. team is an untapped resource, waiting to be viewed for all the school to see. The team should be viewed with pride and are an example of what sports are all about.

ONE ACTS

This is the 26th year Glen Burnie hosted a One Act Play Night. The four plays were all student directed by directors Patty Burch, Carol Cowan, Sue Koenig, and Jason Shump. On Saturday night there was also a guest appearance by the 1983 Mime Troupe. The shows were a great success.

IMPRESSIONS

Impressions is Glen Burnie's literary magazine. Many students devote much time and dedication to this magazine, especially in the Annual Impressions Contest. This contest provides an opportunity for students to express their feelings and thoughts through short stories, poems, photographs, and drawings. Under the guidance of Mr. Whisler, the staff strives for originality and excellence in using the contest entries to compile the magazine. The Impressions staff also hosts the Variety Show, which is always a huge success.

LE SOUVENIR

Hysteria always accompanies the production of the Le Souvenir. This year, due to the fact that its class production time was cut in half, the staff had an even harder task, to complete the entire book in one semester ("and impossible feet"). Through the dedication of staff members the yearbook was completed second semester in donated spare time.

THESPIANS

Thespian Troupe 1288, under the supervision of Muriel Griffith, was very active in the school this year. The troupe members and apprentices put on a Musical, four One Acts, and a Three Act. Because of the willingness of the actors and backstage hands to endure endless practices, the dedication of the stage crew and the late hours of those who stayed late to hang lights, all the performances were great successes. The troupe also had two profitable candy sales, an induction, and a banquet.

GUYS AND DOLLS

If you happened to be in the auditorium on Dec. 1, 2, or 3, you probably caught a glimpse of the musical "Guys and Dolls." You couldn't help but get caught up in all the excitement as you were entertained by such musical numbers as "The Oldest Established Crap Game" and "Sit Down You're Rocking the Boat." Directed by Mrs. Griffith with the help of Musical Advisor, Mrs. Ingalls and Choreographer, Ken Skrzysz, "Guys and Dolls" showed that the rolling of the dice just can't compete with the beating of the heart. "Encore" you say? Well, look below.

"Any of you guys seen Nathan Detroit?"

1. "Psychology! You haven't got that have you?" 2. Chester Taplette and tourists see the sights. 3. Big Jule (Edgar Trotter) is eager to "shoot crap." 4. "A person can develop a cold." 5. ART CLUB

This year's G.B.H.S. Art Club once again achieved the goals that they and Ms. Reynolds started out with at the beginning of the year. Along with a group of talented students, Ms. Reynolds continued to embody the spirit of art in its true form. The students created original art in all types of media, being rewarded in their efforts with the smile of Ms. Reynolds. Besides the great artwork made by the students, this year the Art Club had a car wash in the fall and a Christmas craft sale to raise money for field trips to art museums.

PEP CLUB

The Pep Club, under the advisorship of Ms. Kellum, kept the student body jumping throughout the year. The club fostered student involvement in activities and sports events, being a vociferous group themselves. What the Pep Club will be best remembered for this year, however, are the numerous "peppy" posters inviting the student body at large to join them in their enthusiasm.

ABOVE: the members of the Pep Club. BELOW: the members of the Pep Club in a more normal pose.

STAGE CREW

This year's stage crew worked very hard to get the set ready for the musical, "Guys and Dolls." These are the people who work the hardest, the longest hours, and get the least credit. Though the crew was relatively small, they were hardworking and responsible. The numerous tasks were completed in plenty of time for the show. They also moved the set on production nights and kept the show running smoothly. A standing ovation to these deserving people!

VARSITY CLUB

This year's Varsity Club had a very successful year due to the guidance displayed by the advisor, Ms. Kay Pulford. The Varsity Club sponsored and ordered the letter jackets which were very popular among the athletes at GBHS. Also, the painter hats boosted our football fans' spirits and were very profitable for the Varsity Club. As usual, the Annual Spring Athletic Banquet was a huge success and all enjoyed themselves thoroughly. Ms. Pulford hopes that the Varsity Club is as prosperous in the future as it's been in the past!

This year's Homecoming Dance, as others, was sponsored by the Student Council. Much hard work and effort by the Student Council members was put forth to make the dance a success. Music was provided by "Special Delivery." Homecoming King and Queen were nominated and voted on by the student body. Bo Turner and Lisa Polczynski were chosen as King and Queen.

DANCE TROUPE

Bodies, bodies, and more bodies, all dancing to the beat of the same drummer (they hope). Under the supervision of their fearless leader, Mrs. Rosso, the girls and one "brave," "fearless" and talented male made their bodies into harmonious instruments which they controlled with the bat of an eyelash. They put in many hardworking hours during school, on their lunch periods and after school. Needless to say, they made beautiful "music" together, thanks to Mrs. Rosso and her dedication and patience.

CYCLE CLUB

Cycle Club? What's that? That's just what Mr. O'Dell and his ambitious and thrill seeking cyclist/students were out to answer. The Cycle Club was organized by Mr. O'Dell to promote fitness, bike safety, and a sport in which athletes and non-athletes alike could participate. He and his students feel that cycling is a less recognizable "sport" than most in G.B.H.S. and want even more people to join his newly created club. So, stop your wheels from just spinning in the breeze; start peddling to a better tomorrow with Mr. O'Dell and the new Cycle Club.

CANTO CHORUS

Experienced and non-experienced singers alike were put together this year to form the Canto Chorus and Vocal Ensemble, headed by Mrs. Marj Ingalls. Mrs. Ingalls survived this experience completely unscathed and made this year's chorus the best ever. She shaped and molded young newcomers and refined old timers to create a successful chorus singing spiritual, rock, and classical music. They performed at malls, senior citizens' homes, and in front of GBHS. They were given rousing applause and warm smiles to make all their hard work pay off. This sometimes overlooked and often misunderstood group of talented young people should be recognized for singing well under tremendous odds and continuing to be a fun group with talent.

VOCAL ENSEMBLE

This year's Vocal Ensemble showed much talent. As usual, the Ensemble was under the leadership of Mrs. Ingalls. These young, talented students sang their hearts out in various performances. They sang songs both of serious and humorous composition. Once again, the Vocal Ensemble is thanked for giving the students at Glen Burnie High an entertaining year.

TRI-M

Tri-M, under the direction of Mrs. Ingalls and Mr. Dean, were once again active and growing with the elite music masters at GBHS, showing their talent and dedications and being rewarded by the music staff. Life for Tri-M members has been rough with meetings at various members' houses and eating everything in that member's kitchen. But seriously, the members have dedicated their life to music and the aims of the society: to enrich people's lives with music in related community outings and personally to promote music knowledge with vigor, joy and love.

FOREIGN LANGUAGE CLUB

The Foreign Language Club, advised by Ms. Dickey, engaged in many interesting activities this year. Besides trips to stimulating places, the club held fund raisers and shared knowledge of faraway places. A cross-cultural group, the club was open to all students and encouraged the learning and growth of foreign language study.

MARCHING BAND

Band. Two!

The Glen Burnie High School Marching Band was better than ever this year. Mr. Dean had even been quoted as saying that the band was stronger because auxiliary units were incorporated into the band. The band performed at varsity football games and parades. At the Mayor's Christmas Parade, this year, the band won first place for high school bands and second place for best-all-around. The drum majors for the 83-'84 school year were Chris Mattox and Stephanie Yankowski.

POMS

The 1983-84 Glen Burnie Pom Squad was one of the best in Gopher history. Under the direction of captain Darlene Ballard, co-captains Patty Heint and Brenda Bacque and sponsor Kathy Porter, the Poms placed in the top ten in U. of M. competition. They entertained the football and basketball home crowds with popular tunes such as Beat It, In a Big Country, Eye of the Tiger and Heart and Soul. The Poms also placed third in the Mayor's Christmas Parade.

SILKS

Silks-the art of waving and twirling flags with precision timing and foot work, all set to music. This is what the 1984 G.B.H.S. Silk Squad did in order to achieve their grace and sense of rhythm. They spent long hours after school mastering their difficult techniques and got to show the fruit of their efforts while performing at Gopher Football and Basketball games and a variety of parades. Their hard work paid off, as all their energies came together to form a quality squad. And although they were a smaller number this year, they still proved that bigger doesn't necessarily mean better.

TWIRLERS

The half time show just wouldn't have been the same without the sparkling ability of the Glen Burnie Twirlers. This year the squad—consisting of Annette Tilley, Dawn Scheibe, Patty Spitznagel and Jacki Dickerson—entertained the crowd with spectacular routines to popular tunes. As an auxiliary to the marching band, they were also included in the parades and fund raisers.

BAND FRONT

In front of every band there is a leader. The Glen Burnie High School Marching Band was led this season by Sherry Slezak, Jill Goff, Jill Allen and Karen Bope. They worked together in guiding the band through various parades and many football games.

JAZZ BAND

If you're into modern music, the GB Jazz Band is for you. The Jazz Band has performed many styles of music, including jazz, blues and rock. The band consisted of the school's best contemporary performers. This year the band performed at malls and in jazz festivals. They also performed at the Glen Burnie Christmas and Spring Shows.

STUDENT COUNCIL

Karl Behrendt day dreams about Bigger Thomas.

The Student Council, sponsoring many activities, made its presence known in our school. The major responsibility this year was Homecoming, including the Homecoming Court and the dance. Other activities inside the school included dances, sweatshirt sale, and the sale of buttons. Community services included donating money to needy families at Christmas and running the Bloodmobile. The advisors, Mrs. Pattillo and Mrs. Kissinger, dedicated a lot of time and hard work to make it all possible.

As in most American secondary schools, the National Honor Society is the most prestigious organization. The group is formed to create enthusiasm for learning to stimulate a desire to render service, to promote leadership, and to develop character among the student body. Members of N.H.S. are chosen on the basis of scholastic accomplishments, teacher evaluations, leadership, and involvement in extracurricular activities. N.H.S. members are required to participate in the Spring Induction, are used as ushers at many school activities, and help in tutoring students. The fund raisers this year included underclass pictures, calendar sale, and an Easter Bunny sale. Traditionally, the year was brought to a close with the annual N.H.S. picnic with Ms. Gray praying for a "sunny day."

The G.B. "It's Academic Team" consists of three starting members and four alternates. The starting members competed against the starting members of other schools. The competition consisted of designated sets of questions asked of three teams. The questions chosen were grueling questions to test knowledge and academic skills. The winner was the fastest and most accurate of the three teams. The winner then proceeded to compete in a semifinal round. While at this dinner theatre, the Zoology Club members were the audience to the production of Camelot. Other trips included going to the Aquarium to get a "behind stage" tour, an exciting day at the Washington Zoo, and a friendly visit to the Magothy River to take some samples of the life in the water. Don't we have an attitude?
Please Bill....
Bill you have a bad attitude.
Does anybody need anything done?
Shut UP!
Yeah, I still can't crop a picture!
What do I do now?
Loose much Artline Bill?
Nancy Help!
It's not my fault.
Mr. H. Where's my damn essay?
Hey Bill! I Quit!
I need my guitar! Where's my guitar?
Let's eat some pizza!
Empty I'm on again!
When's the dead line?
It's Not My Fault either!
The Snow melts at the corner.

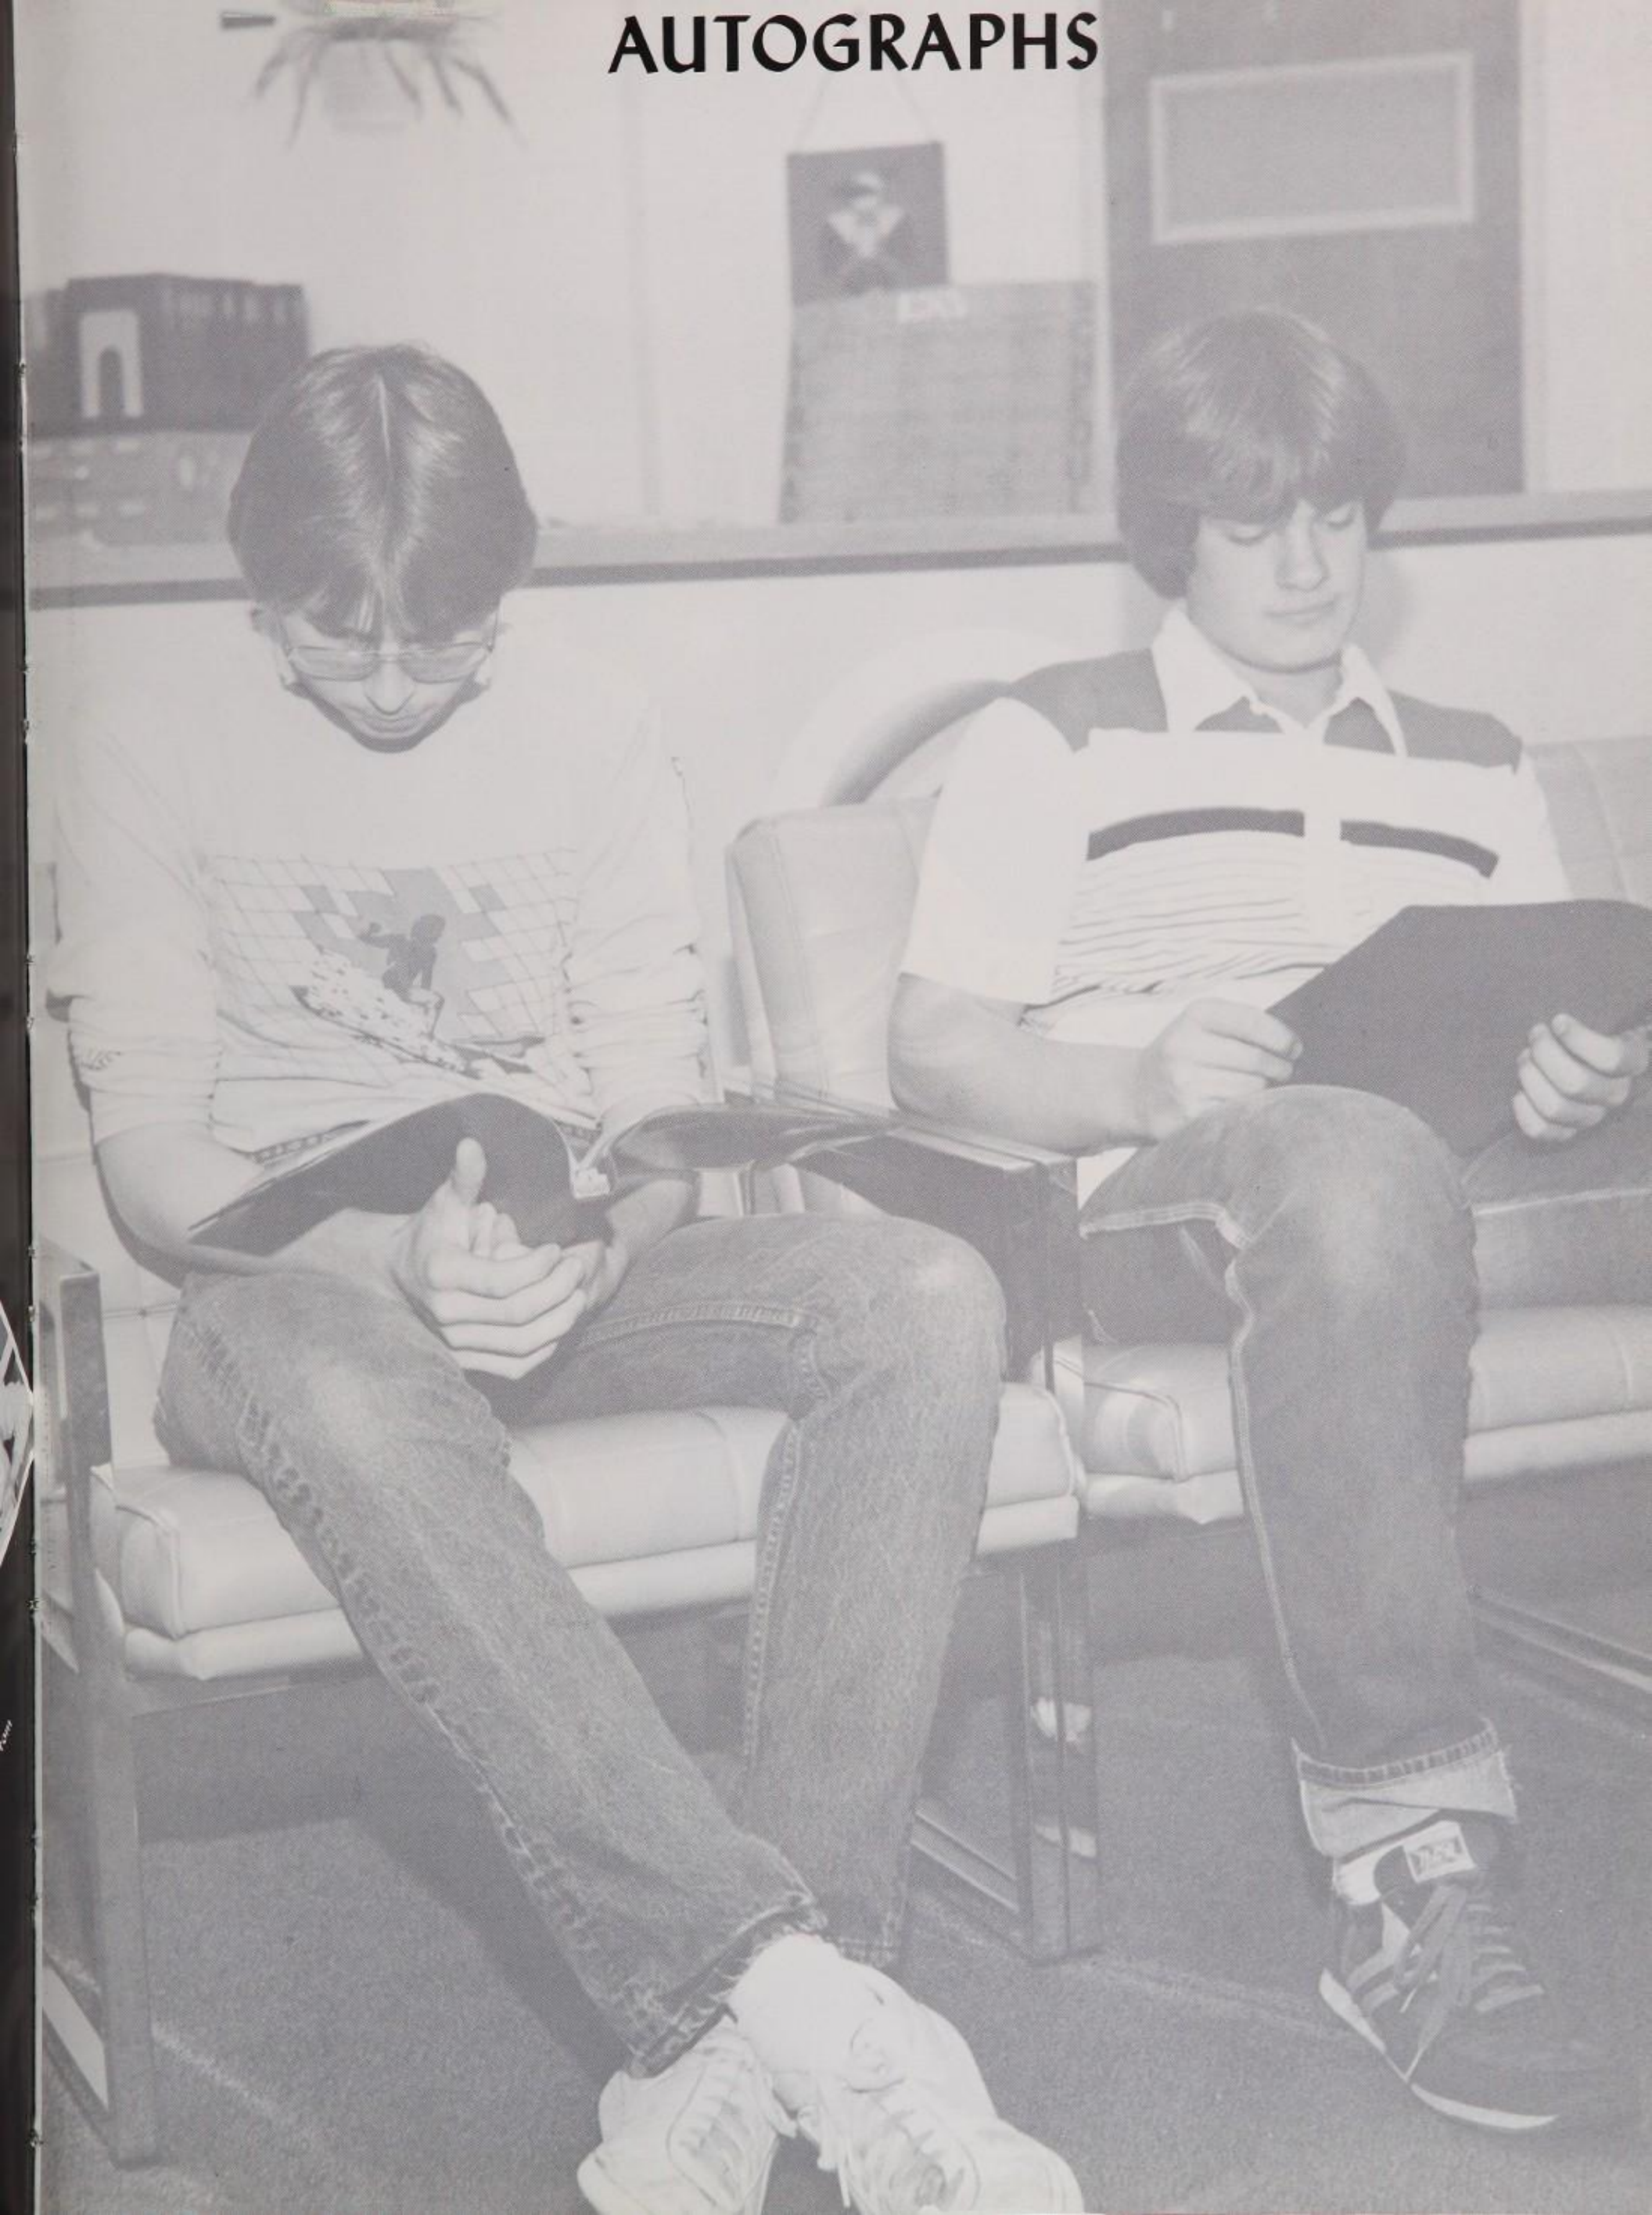

A special thanks to Jason Shump, Sharon Kirchmar, David Guite, Bunky Cochaine, and Don Ludwig.

Thanks also to Jeff Segal, John Beach, and the employees of Se-gall-Majestic and Josten's American Yearbook for their assistance. Lastly, thank you to parents (and spouses!) of the staff for both help and patience.
